

Theoretical Approaches to Bioinformation Systems

TABIS2013

Belgrade, 17-22 September 2013

www.tabis2013.ipb.ac.rs

Conference Topics

Structure and function of DNA and RNA - Structure, function and interaction of proteins - Gene expression and genetic code - Life as information processing - Bioinformatics - Neurons structure and signal processing - Data mining and machine learning - Cognitive modeling - Networks: from biomolecules to global systems - Related topics in medicine, drug design, psychology

Important dates:

First announcement: 15. March 2013.

Registration open: 15. March 2013.

Second announcement: 20. June 2013.

Early registration: 20. July 2013.

Abstract submission deadline: 20. July 2013.

Sponsors:

Ministry of Education, Science and Technological Development of Serbia
